## An Agreement between key pastors of Harvest Bible Chapel, Senior Pastor James Macdonald, Assistant Senior Pastor Rick Donald, and the Elder Board

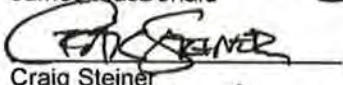

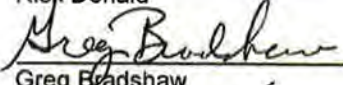

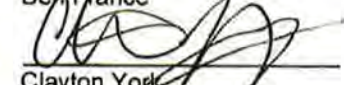

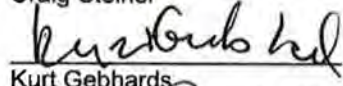

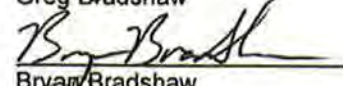

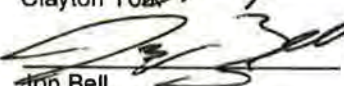

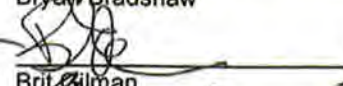

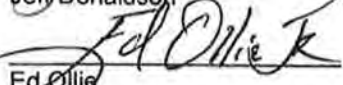

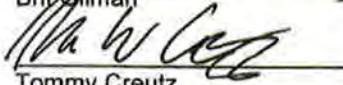

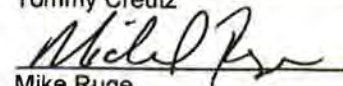

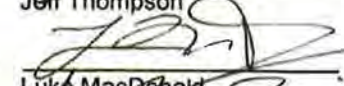

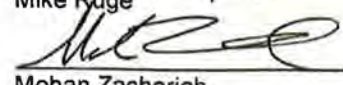

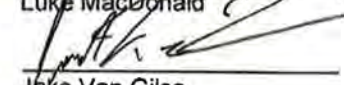

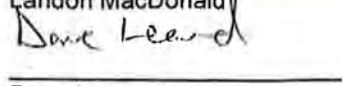

As a campus pastor or preaching pastor, we commit that we will serve the best interests of our Savior Jesus Christ, and our church, Harvest Bible Chapel. If and when we feel led to serve the Lord somewhere other than at one of the campuses of Harvest, we will submit our opportunity to fellow Harvest pastors and my Senior Pastor first in accordance with Proverbs 11:14, "Where there is no guidance, a people falls, but in an abundance of counselors there is safety."

Together this day, we commit that our next church ministry will not be within fifty miles of any campus of Harvest Bible Chapel. We are, as Ephesians 4:3 says, "eager to maintain the unity of the Spirit in the bond of peace." We care about the church, the testimony of our church, and the dear people who attend our church.

We would not want my actions to cause confusion or harm by making the people of Harvest question our love for the Lord, the purity of our church, or their decision to worship Christ here.

We acknowledge that as we adhere to this commitment, the Senior Pastor's office and the Elder Board will commit to do everything within their power to offer and support a church plant outside of the radius stated here, as evidenced by our support for our friend Brian Bement.
